SECTION 1. DEFINITIONS

- 1.1 SUBSCRIBER** – The term "**SUBSCRIBER**" OR "**MULTI-LIST SUBSCRIBER**" shall mean a Pennsylvania Real Estate Broker (with a valid Pennsylvania Broker's License in good standing) or a Certified Pennsylvania Appraiser (See 1.3(a) below.) who is subscribing to the Multiple Listing Service of the West Penn Multi-List, Inc. pursuant to the procedures set forth in Section 2 below. A separate definition appears in Section 1.3(b) for a category of Subscribership known as an "Affiliate Subscriber," which applies to Certified Home Inspectors.
- 1.2 SERVICE** – The term "**SERVICE**" or "**MULTI-LIST SERVICE (MLS)**" shall mean West Penn Multi-List, Inc.; the term "**ONLINE SYSTEM**" shall mean West Penn Multi-List's online system.

This does not include an Associate Broker.
- 1.3(a) APPRAISER** – The term "**APPRAISER**" shall mean any person who holds a valid/current Appraiser Certification from the State of Pennsylvania. This individual may become a Subscriber to the Service as long as proper documentation can be presented along with the application and additional requirements. For each Appraiser affiliated with said Subscriber Appraiser, the holder of the Subscribership must furnish West Penn Multi-List, Inc. with insurance information indicating any additional Appraisers affiliated with Appraiser Subscriber. This format falls under the guidelines in the Rules and Regulations, and the Subscriber Appraiser will be responsible for payment to the West Penn Multi-List, Inc. for each Appraiser affiliated with said company.

1.3(b) AFFILIATE SUBSCRIBER – The term “**AFFILIATE SUBSCRIBER**” shall mean any Certified Home Inspector who becomes a Subscriber to the service in accordance with the terms and conditions as established and/or amended by the Board of Directors of the West Penn Multi-List, Inc.

When the ownership of the Subscriber changes, the existing Subscribership is terminated and the new owner is required to pay the initiation fee that is in place at the time of the change of ownership. Change of ownership is determined as follows:

- A. *The incorporation of a Sole Proprietorship or Partnership is a change of ownership.*
- B. *The formation of a Partnership by two or more existing Subscribers is a change of ownership.*
- C. *The adding of a new Partner to a Partnership or deleting a Partner from an existing Partnership is a change of ownership.*
- D. *Any change in the members of a Partnership, either by adding new Partners or removing existing Partners, is a change of ownership. The merger of a Sole Proprietorship, a Partnership, or a Corporation into an existing Corporate Subscriber is not a change of ownership for the surviving corporation, but it will extinguish the Subscribership of the merged entity.*
- E. *The addition or removal of a Shareholder of a Corporate Subscribership is not a change of ownership.*

 - B.** In the case where a Broker is a franchisee or is a participant of a service group, but trades or brokers real estate under said Broker's individual name, said Broker must be a Subscriber of West Penn Multi-List, Inc., in order to receive the benefits of the West Penn Multi-List, Inc.
 - C.** Referencing an Appraiser Subscriber, it must be apparent that the Appraiser Subscriber does not provide an outside entity with any of the confidential materials available within the West Penn Multi-List, Inc. This means that each Appraiser Subscriber will be required to produce proof (through insurance coverage) that such affiliated Appraiser is in fact affiliated with said company. The Broker/Appraiser will have 60 days to rectify the problem or the Subscribership in the West Penn Multi-List, Inc. will be expelled.
 - E.** Any expelled Subscriber who owed West Penn Multi-List, Inc. any sum for fees, property, fines, etc., shall not be eligible to attempt to

- B.** Receipt of the applicant's signed and executed West Penn Multi-List Subscriber Agreement agreeing to abide by the By-Laws (if a Shareholder) and Rules and Regulations of the Service; to indemnify and hold harmless the West Penn Multi-List, Inc. and its

Subscribers from losses or damages suffered by reason of the submission of erroneous information; and to all other matters contained in said agreement.

- 2.4 WITHDRAWAL/TERMINATION** – A Subscriber may terminate his/her Subscribership at any time in the West Penn Multi-List, Inc., by delivering written notice to the Central Office. A Subscriber withdrawing shall not be entitled to any refund of any dues or admission fees paid to the Service.

Upon notice to terminate the Subscribership, the following format is required to be followed:

- A.** All forms, supplies, materials, keys, lock boxes and other West Penn property is to be returned to the Service within 48 hours of notice to cancel the subscribership. Failure to return materials and lock boxes will result in replacement costs billed to Broker. Any missing lock boxes are chargeable to the Broker at the current replacement fee.
- B.** Written instructions must accompany the notice to cancel that gives West Penn the authority to cancel your listings in the Service. Sold/Closed/Expired listings will remain in the system for comparable purposes.
- C.** Written notice is to be sent to all sellers (by the Broker) listed with the Service that their listing will be transferred or removed from the West Penn Multi-List, Inc.

If a Subscribership in the West Penn Multi-List, Inc. is withdrawn/cancelled and the Broker decides at a later date that he/she would like to rejoin the Service, the current admission fee will be due and payable upon receipt of the application by the West Penn Multi-List, Inc., as well as any previous indebtedness owed.

- 2.5 TERMINATION/EXPULSION** – Any Subscriber under suspension, revocation, cancellation, or loss of his/her Real Estate Broker's License or Certified Appraiser status may be terminated, suspended, or expelled at the discretion of the West Penn Multi-List, Inc. Service. Subscriberships may be terminated, at the discretion of the Service, for violations of the By-laws or these Rules and Regulations. A Subscriber whose Subscribership is terminated shall not be entitled to any refund of dues or fees paid. All indebtedness to the West Penn Multi-List, Inc. must be paid in full. A Subscriber who meets the criteria for Subscribership may request reinstatement following the expulsion of their Subscribership. Only those Subscribers who satisfy the eligibility requirements shall be eligible for reinstatement. If so, the Subscriber shall not be required to pay

the full admission fee as a new Subscriber. Rather, reinstatement shall be possible upon the payment of all past indebtedness to the West Penn Multi-List, Inc., and a reinstatement fee of **\$1,000.00**. This option shall be made available to Subscribers on a **ONE-TIME-ONLY** basis. In the event of a subsequent expulsion, the Subscriber shall not be eligible for reinstatement at the reduced fee and shall be required to pay the fee for new Subscribers as determined by the Board.

- 2.6 ELIGIBILITY FOR REINSTATEMENT** – Any Subscriber subject to termination or expulsion as described herein, must satisfy the eligibility requirements set forth herein in order to be considered for reinstatement. These requirements include, but are not limited to, satisfaction of any indebtedness owed to the West Penn Multi-List, Inc. Eligibility for reinstatement will be subject to the requirements that pertain to all new Subscribers of the West Penn Multi-List, Inc. at the time the request for reinstatement is received.
- 2.7 CORPORATION SUBSCRIBERSHIPS** – A corporation that is duly licensed as a Real Estate Broker or Appraiser by the STATE REAL ESTATE COMMISSION/STATE OF PENNSYLVANIA may become a Subscriber of the West Penn Multi-List, Inc. Each Corporation is required to obtain its own separate Subscribership notwithstanding the fact that all of the stock of two (2) or more corporations is owned by one (1) individual or that the corporations operate under the same name or that one (1) corporation is the holding company of another. This specific requirement does not apply, however, to one corporation that maintains branch offices as authorized under the rules and regulations of the Real Estate Commission.
- 2.8 SUBSCRIBERS WITH BRANCH OFFICES** – Every Subscriber who maintains branch offices in the State of Pennsylvania is required to include those offices as part of the West Penn Multi-List, Inc. system. All Sales Associates and Appraisers associated with any branch office shall be required to participate in the monthly charge designated as MLS Fees. All real estate Sales Associates will be required to list all properties designated as mandatory listings within the Rules and Regulations of the West Penn Multi-List, Inc. unless the office location is outside the designated coverage area.
- 2.9 TERMINATION OF SERVICES** – The Service recognizes that the Broker/Appraiser Subscriber to West Penn Multi-List, Inc. utilizes the services of many Associate Brokers, Sales Associates, and Certified Appraisers. The Service also recognizes that Brokers, Associate Brokers, Sales Associates, and Certified Appraisers deal directly with the public and that any unfavorable actions by anyone designated in this group could adversely affect the West Penn Multi-List, Inc. as well as the entire real

estate industry. For that reason, the Service reserves the right to terminate its services to any Broker, Associate Broker, Sales Associate, Certified Appraiser, or Sales Associate Director who, in the opinion of the Service, does not conform to the professional standards established by the National Association of REALTORS and the Rules and Regulations of the West Penn Multi-List, Inc.

If any person is aggrieved by the actions of the Service in terminating their services, they may appeal such action to the Board of Directors whose decision shall be final and binding on all parties.

2.10 LIMITED SUBSCRIBERS – A Certified Real Estate Appraiser, as defined in Section 1, may become a limited Subscriber to the Service. Such limited Subscribers shall be entitled to access the information available through the Service. However, a limited Subscriber shall have no right to list or sell real estate or to have any other privileges of Subscribership other than accessing information and usage of Supra Keys as herein provided.

2.11 HOME INSPECTORS – Certified Home Inspectors qualify for an Affiliate Subscribership in the West Penn Multi-List, Inc. with their own set of Rules and Regulations. Home Inspectors have limited access to the actual Online System. This information is to be utilized to secure the proper showing procedures and property location.

Home Inspectors may only admit the actual Buyer(s) to the home to be inspected unless Buyer(s) and Seller(s) both sign an indemnification/waiver form. **The Home Inspector has the right to refuse the use of this form and is required to notify the individual(s) who proposed the form of his/her refusal upon receipt, via text or email.** For purposes of this section, the Buyer(s) are identified as those individuals who are designated as the Buyer(s) on the executed Sales Agreement. However, an exception exists for other individuals to attend the Home Inspection so long as a form is signed by the Buyers, Sellers, and those individuals who will be in attendance, and delivered to the Home Inspector before the scheduled inspection. The form shall only be valid for the date of the scheduled inspection. The indemnification / waiver form must be in the form provided by the WPML and signed and dated by the Buyer(s), Seller(s), and the individuals who will be present at the inspection, and must specifically identify the individual(s) who will attend the inspection and the date thereof. **If the form is not signed by each of these parties and delivered to the Home Inspector at least 48 hours prior to the inspection, the waiver of this rule is not valid and the additional individuals may not attend the home inspection**

If a Home Inspector violates this procedure, they will be fined, and if this persists, they will lose their Affiliate Subscribership in the West Penn Multi-List, Inc.

- 2.12 CHANGE OF OWNERSHIP** – In the event of a change of ownership, the West Penn Multi-List, Inc. Office must be notified within forty-eight (48) hours of such a change. This requirement applies to a change in the Broker of Record, Certified Appraiser, or Certified Home Inspector. Such changes may require the payment of an admission fee for the Subscribership to continue. This determination will be based on the factors set forth in Rule 1.4 A – E of the Rules and Regulations.

SECTION 3. LISTINGS

- 3.1 MANDATORY LISTINGS** – All properties/rentals listed with the Service are Exclusive to West Penn Multi-List, Inc. Every Subscriber shall place for listing with the Service ALL of the following types or categories of listings obtained or received by said Subscriber with the MLS coverage area. No listing may be placed with the West Penn Multi-List, Inc. by anyone other than a Subscriber of the West Penn Multi-List, Inc.
- A. RESIDENTIAL (RES)** – Single family dwellings, which also includes townhouses, condos, co-ops, modular, mobile, and manufactured homes.
 - B. TO BE BUILT (TBB)** – Properties that have not had a foundation poured or laid. Once a foundation is present, the listing is to be moved to RES and the TBB changed to X (expired).
 - C. RESIDENTIAL INCOME (MUL)** – Up to and including four (4) units. This type of listing, if zoned MULTI, is required to appear in the Multi-Unit Section of the Online System.
 - D. SUB-DIVIDED/VACANT LOTS (FAL)** – All vacant land/lots that have not had foundations poured or laid.
 - E. FARMS/AGRICULTURAL ACREAGE (FAL)** – Farms, farm property, and property zoned agricultural are classified into this section of the Online System.
 - F. MOBILE HOMES** – A mobile home regardless of whether it includes an interest in real estate may be listed in the system. This section applies only to pre-owned mobile homes. The mobile home for sale would need to include a parcel of ground or verification of a lease for that ground where it is currently positioned.

A MOBILE HOME is a structure manufactured before 1976, designed and used exclusively for living quarters or commercial purposes, but only incidentally operated on a highway.

- G. MANUFACTURED HOUSING** – A structure manufactured after 1975, transportable in one or more sections, which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities and includes the plumbing, heating, air conditioning, and electrical systems contained therein. The term shall include any structure, which meets all the requirements of this definition with respect to which the manufacturer voluntarily files a certification required by the United States Department of Housing and Urban Development.
- H. NEW CONSTRUCTION** – If the new construction has no foundation poured/laid, it is to be placed in the TBB section of the Online System. If this is violated, a fine of **\$100.00** will be levied. If a foundation has been laid/poured, the new construction must appear in the RES section of the Online System and removed from TBB by changing the status to an X (expired).
- I. OUT-OF-STATE LISTINGS** – No property outside the State of Pennsylvania shall be deemed a mandatory listing. This rule could change by direction of the Board of Directors of West Penn Multi-List.
- J. WATERFRONT PROPERTIES** – Homes which are considered waterfront properties are located on the water and shall not be listed in the system unless a parcel of land is being conveyed or unless verification of a lease for the ground or water where the dwelling is currently positioned is provided.
- K. ACTIVE LISTING STATUS** – No property shall be entered into the West Penn Multi-List, Inc. unless it is actively for sale. Listings that are SOLD prior to listing may not be entered into West Penn Multi-List unless they are new construction. If this occurs, a fine of **\$500.00** will be levied to the Listing Agent. All listings must be actively available for all Subscribers prior to securing an agreement. If this is questionable, WPML has the right to request paperwork for verification purposes. The paperwork will be destroyed after review.

3.2 EXCLUSIVE COMPANY LISTING – An Exclusive Company Listing Acknowledgment Form shall be used for Seller(s) who have decided they do not wish to have their property displayed in the West Penn Multi-List, Inc. system. The following Rules apply to Exclusive Company Listings:

A. Forms

Exclusive Company Listings must be submitted on the form provided by the West Penn Multi-List, Inc. known as the Exclusive Company Listing Acknowledgement. The listing may not be submitted on the West Penn Multi-List, Inc. Standard Exclusive Listing Contract, and the failure to utilize the Exclusive Company Listing Acknowledgement will result in a fine in the amount of **\$1,000.00** being levied against the Listing Agent. The fine will **increase by \$1,000.00** for each subsequent violation of the rule by the same Subscriber. This rule does not apply to listings for new construction which are under agreement, as such listings are excluded from this rule.

B. Time Period for the Submission of the Exclusive Company Listing Acknowledgment Form

The WPML Office must receive the Exclusive Company Listing Acknowledgement form **within three (3) calendar days inclusive of the Effective Date of the listing** as set forth in the body of the form. For example, if the Effective Date of the listing is Monday, January 14, 2018, that day will count as the first day in the three-day time-period to submit the form to the WPML Office. A violation will not occur in this example as long as the Exclusive Company Listing Acknowledgement form is submitted to the WPML Office by midnight on Wednesday, January 16, 2018. The forms may be submitted by email or fax, and a violation will not occur as long as the submission is made by the end of the third day, as described above, even if the submission occurs during hours the WPML is not open. The three (3) calendar-day time period to submit the form to the WPML Office is based on calendar days and includes weekends and holidays. The form may be submitted by email or fax during non-business hours to satisfy this deadline. **Failure to comply with this time period will result in a fine of \$1,000.00 to the Listing Agent for the first violation. The fine will increase by \$1,000.00 for each subsequent violation of the Rule.**

The signature date (where the seller(s) affix their signature(s)) cannot exceed three (3) calendar days before or after the Effective Date, or this will result in a fine of \$1,000.00 to the Listing Agent for the first violation. The fine will increase by \$1,000.00 for each subsequent violation.

C. Use of Other Forms

If an Exclusive Company Listing is taken on a WPML Standard Exclusive Listing Contract provided by the Service, then such listing becomes a MANDATORY listing and will carry a fine if not entered into the WPML system **within the three-calendar-day time period.**

D. Under Agreement and/or Sold Properties

Exclusive Company Listings that go under agreement or sold/closed prior to the submission of the required form to the West Penn Multi-List, Inc. may not be submitted/entered into the WPML Office online service for statistical or computation purposes. Violation of this Rule shall result in a **\$1,000.00** fine billed to the Listing Agent and the listing will be deleted from the system.

Upon request, the listing/selling office is required to provide the WPML Office with documentation to validate the date the Listing Agreement was signed. These copies will be reviewed only for purposes of validating the date of execution, and the documents will be destroyed thereafter, as it remains the policy of the WPML to not retain copies of Listing Agreements.

E. Marketing/Showing an Exclusive Company Listing

Exclusive Listings provide Sellers who wish to maintain privacy and/or to avoid wide exposure of the property that is listed for sale with an option to place the listing within the MLS system. **Exclusive Listings may be marketed and shown ONLY to agents within the Listing Company and their clients.** Marketing to the public in any form is not permitted. This includes, but is not limited to, flyers, flyers/signage displayed in windows, yard signs, digital marketing on public-facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (including email blasts), social media, multi-brokerage listing sharing networks, phone calls, blasts, public and private meetings, office/company notices, and any applications available to the general public.

If Exclusive Company Listings are displayed or advertised to the general public or to other brokerage companies, then these listings must be submitted to WPML within the time period established by the Clear Cooperation Policy as defined in WPML Rule 3.26.

The amendments to this Rule are effective as of September 1, 2020.

3.3 LISTING PLACEMENT – Each listing entered into the WPML system has a designated location by property type and zoning. Listings may be initially entered in multiple sections to assist in marketing the property. However, when the listing CLOSES it may only be closed out in the correct area of ZONING. All other listings that were entered as duplications but in other property types are required to be EXPIRED and NOT reported as SOLD. Only one (1) property address may be reported as sold.

Listings that are zoned RESIDENTIAL are required to be placed in the RES section of the system only. The charge for each listing will be billed to the listing office.

Listings that carry a MULTI-UNIT designation/zoning may appear in RES, CIB, and MUL simultaneously. The charge for each additional listing will be billed to the listing office.

Listings that carry a CIB designation/zoning may appear in CIB, RES, and MUL simultaneously. The charge for each additional listing will be billed to the listing office.

All listings that are placed in more than one section of the online simultaneously must carry the “designated” zoning information in the first line of REMARKS so that the information is not misleading to the consumer and Agent.

Vacant land that has not had ground broken and zoned residential may only appear in the FAL section of the system unless it fits the criteria associated with TBB listings. Vacant land may not appear in the FRR or FARM section of FAL unless it is zoned agricultural.

If the vacant land or lot is listed in the Online System and a construction package is subsequently signed for that lot, then the listing for the lot would be EXPIRED and NOT reported as SOLD status. The lot and dwelling to be built on that lot would be entered as a new RES listing. In the event there is a construction package attached to the lot and the lot is reported as SOLD, the WPML Office will remove the listing for the lot and notify the Broker and Agent of the infraction.

When any one (1) of the simultaneously placed listings has a change in status (example: C, U, W, X) all listings must carry the change in status. Failure to comply will result in a fine of **\$100.00 per listing** that carries the wrong status information. **The remaining additional listings must carry the status of X – not W or S.**

When any of the simultaneously placed listings have SOLD/CLOSED, only one (1) of the properties may carry the SOLD data. The choice for reporting will be determined by the accurate zoning. Any subsequent listings entered in addition to the original listing are to be reported as EXPIRED (X) when the listing closes. This change must be completed within 48 hours of closing or a fine of **\$50.00 per day** will be levied from when the status change occurred.

All listings are required to appear in the township or borough where their taxes are levied.

All listings submitted to West Penn Multi-List, Inc. for processing must appear in the correct township, borough, etc. If a listing is placed in an incorrect area, a **\$25.00 per day** fine will be levied to the Listing Agent until corrected.

In the event of a severe violation, West Penn Multi-List, Inc. reserves the right to place a listing on HOLD until compliance can be met.

3.4 OPTIONAL LISTING – A Subscriber has the option to list the following property types at their discretion:

- A. Business Opportunity
- B. Industrial
- C. Commercial
- D. Multi-Units - over four (4) units

If a Subscriber elects to process an Optional Listing, the prescribed forms of the Service are required to be completed within the specified time period as outlined by the Service for mandatory listings.

3.5 LISTING PROCEDURES – All listings entered into the WPML database, whether a listing contract or lease contract, shall utilize the West Penn Multi-List Standard Exclusive Listing Contract or the Pennsylvania Association of REALTORS® (PAR) Exclusive Right To Sell Real Estate Listing Contract. This requirement does not apply to Exclusive Company Listings because the Exclusive Listing Contracts are not entered into the WPML database. In the case of an Exclusive Listing, the West Penn Multi-List Exclusive Company Listing Acknowledgement is required to be utilized, rather than the WPML Listing Contract. The PAR Exclusive Listing Form shall not be submitted to the WPML. Other than the PAR Exclusive Listing Form and the PAR Change Listing Form, Subscribers may use any other form published by PAR as a substitute for the

corresponding WPML form. Such forms include the PAR Seller Disclosure Statement, Par Lead-Based Paint form, PAR Consumer Notice form, and the PAR OGM and PAR COGM forms. WPML does not accept the PAR Exclusive Listing Form or the PAR Change Listing Form as WPML forms must be used for those purposes. All WPML forms and PAR forms are currently available to WPML Subscribers via zipForm® Plus. The PAR forms are available from the Pennsylvania Association of REALTORS.

Other than the WPML Exclusive Company Listing Acknowledgement and the Status/Change Listing Report, Subscribers may use any form published by the West Penn Multi-List, Inc. OR the corresponding PAR form.

Subscribers are free to utilize other PAR forms with listings entered in the WPML system, including: PAR Seller Disclosure,* PAR Lead-Based Paint, PAR Consumer Notice, PAR OGM, and PAR COGM forms.

* The PAR Seller Disclosure is to be completed in accordance with the Real Estate Seller Disclosure Law of Pennsylvania, and all WPML Subscribers are responsible to follow this format. West Penn Multi-List, Inc. is not responsible for the information provided on this form.

West Penn Multi-List, Inc. forms are available to print or complete online through zipForm Plus.

- A.** Every listing shall be entered into the WPML Online System within three (3) calendar days, inclusive of the Effective Date noted on the contract. The Effective Date shall commence within three (3) calendar days of the signature date. For purposes of example, if the Effective Date is a Tuesday, the three (3) calendar day period shall expire on Thursday of the same week. In the event the property is marketed as described in Rules 3.2(G) and 3.5(F), the listing must be submitted within one (1) calendar day of the marketing of the Property which can shorten the three (3) day time period to submit the listing. Failure to comply with this Rule will result in a \$1,000.00 fine being levied against the Listing Agent. If an Agent/Broker re-enters a listing after it has been placed on HOLD by the WPML Office, a fine in the amount of \$500.00 will be levied to the Agent/Broker who violated this Rule by re-entering a listing that is in HOLD status.
- B.** Use of existing images is expressly prohibited when properties are relisted following the release/cancellation of a listing. Any Subscriber who wishes to relist the property is prohibited from using the images from the prior listing in the new listing. A violation shall

occur if the existing images are downloaded or used in the new listing. The information contained within each listing is recognized as the property of the Broker. The fine for each violation of this rule is **\$100.00**. Each fine shall be levied on a per listing basis.

An exception exists to this rule for the images that are the property of the homeowner and can be substantiated or if the property is being relisted by the same Agent, affiliated with the same company as originally listed, or by written acknowledgement from the previous Listing Broker to the newly designated Listing Agent.

- C.** Online forms may not be altered in any fashion—alteration or modification of any of the forms available online is strictly prohibited. Should any of the forms that are available online—whether the forms are PAR (Pennsylvania Association of Realtors), WPML, or otherwise—be altered or modified in any fashion, the listing will be placed on HOLD status and a fine of **\$100.00 per each listing** will be levied against the Subscriber responsible for the modification of the form. Repeat violations of this rule may result in the suspension of the Subscriber's West Penn Multi-List privileges.

- D.** The information that appears in the REMARKS, DIRECTIONS, and TOUR INFO or any other free field format is intended to include information concerning the physical components of the listed property only. This means that no personal information regarding the Agent, agency, website addresses, URLs, bonus arrangements, Agent offers, telephone numbers, email addresses, or any other information not related to the property in question may not appear in the listing data fields. This format also applies to attachments to the listing. This does not affect the field designated as URL.

The fine for entering any information not deemed to be specific to the property as indicated in this rule will result in an immediate **\$25.00** fine to the Agent and the listing will be placed on HOLD status until written authorization is given to the WPML Office to correct the item(s) in violation.

If anyone other than the deeded owner is signing the listing contract and remaining documents, proper identifying paperwork is required. In the case of a Corporation Listing, Guardianship, Power of Attorney, Limited Power of Attorney, etc. it is required by the Service. A copy of the death certificate is NOT required for an executor/executrix.

- E.** Listings entered into West Penn Multi-List, Inc. must be active listings for sale.

The West Penn Multi-List, Inc. will not accept listings that have been placed under agreement or sold (status C, U, or S) prior to the listing Effective Date in the WPML Standard Exclusive Listing Contract or the PAR Exclusive Right To Sell Real Estate Listing Contract. Any listing that violates this rule will result in a fine of **\$500.00** levied upon the Listing Agent. Each separate offense will be subject to a separate fine. Such listings shall also be deleted from the system immediately regardless of the length of time taken on the original listing document.

The West Penn Multi-List, Inc. may request copies of the listing contract and/or sales agreement to verify the date of the listing contract and sales agreement. Upon receipt of these documents, they will not be retained by the WPML Office, but will be destroyed by shredding after the confirmation is noted as the request for a copy of the listing contract is only to obtain confirmation of the date.

F. Requirement to submit listing upon marketing

Within one (1) calendar day of marketing any property to the public, the Listing Broker/Agent must submit the listing to the WPML, or within three (3) calendar days inclusive of the Effective Date of the listing described in Section 3.5(A) above, whichever date is sooner. The requirement to submit the listing to the WPML Office within one (1) calendar day of marketing the property does not extend the three (3) calendar day requirement when the listing is to be submitted. The requirement the listing must be submitted within one (1) calendar day of marketing new property in any format is to ensure cooperation with other WPML Subscribers. For purposes of this Rule, the listing must be submitted within one (1) calendar day of the marketing. Therefore, if the initial marketing of the property occurs on a Monday, the listing must be submitted by Tuesday. Likewise, if the initial marketing is on Friday, Saturday, Sunday, or a day before a legal holiday, the listing must be submitted the next calendar day.

This Rule applies to marketing the property to the public in any nature and includes, but is not limited to, flyers, flyers/signage displayed in windows, yard signs, digital marketing on public-facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (including email blasts), social media, multi-brokerage listing sharing networks, and the applications available to the general public. The dates set forth herein refer to calendar days and are not extended by weekends or

holidays. A violation of this Rule will result in a fine of \$1,000.00. In the event of repeat violations by the same Agent/Subscriber, the amount of each subsequent fine will double.

The EFFECTIVE DATE of the listing contract is the date that appears in the BODY of the listing contract in an area designated as COMMENCEMENT DATE. If for some reason, that date changes PRIOR to the seller(s) affixing their signature to the listing contract, the date may be changed as long as the seller(s) initial the change.

Any listing entered into the Online System more than **three (3) calendar days** beyond the COMMENCEMENT DATE will not be processed and will be placed on HOLD in the Online System.

If a listing is entered into the Online System **after the three-day time period** has passed, a fine of **\$500.00 per occurrence** will be charged to the Listing Agent.

The West Penn Multi-List, Inc. may request copies of the listing contract for date verification.

If an Agent re-enters a listing that has been placed on HOLD status in the Online System by the Service without proper documentation/documents, the Agent will be fined **\$200.00**.

The placement of any type of advertisement, including a WEB address, phone number, or any other information within the body of ALL photographs submitted to the West Penn Multi-List, Inc. is expressly prohibited. Violation of this restriction will result in a fine being levied upon the offending individual or office for **\$250.00**. Notice will be provided to the individual that the violation MUST be corrected within three (3) business days or the amount of the fine will be subject to increase, depending upon the number of actual listings which violate this rule. If said violations are not corrected by the fourth (4th) business day, the amount of the fine levied upon the individual Subscriber/Office will be **\$100.00 per listing or photo** which is found to violate this rule.

When submitting images into the Online System and electing to add additional comments to the images, it is not permissible to add any comments that identify the names(s) of the listing company, the Listing Agent, telephone numbers, or any type of website address. This section is only for comments that relate to the property image.

3.6 CHANGES IN LISTINGS – Any change in listing price, status, or any other change from the original listing contract and data submission shall be made only when authorized in writing by the seller(s). All changes are

to be reported in the Online System **within three (3) calendar days**, or a fine of **\$50.00 per day** will be levied.

A CHANGE STATUS FORM SHOULD NOT BE SENT TO WPML IF THE CHANGE HAS BEEN IMPLEMENTED IN THE ONLINE SERVICE.

Do not send any type of change form to West Penn Multi-List, Inc. if you have performed the change in the Online System. Keep the documents for your records. Do not report Sold status in advance of the closing.

A change in STATUS is the responsibility of the listing office to report the change in the Online System or via mail/fax if Internet access does not exist. If the listing office fails to report the change in status, the responsibility to report this change will revert to the selling office. The selling office will then be required to complete a Change Status Form and submit this document to WPML for processing via mail/fax within the specified time element.

Failure to comply with the above format will result in a **\$50.00 per day** fine until the status change has been reported in the Online System. In this case, the fine will be levied to both the listing and selling offices for failure to report the status change in the Online System.

This rule will also apply to a listing office that receives a notice of cancellation, as outlined in the listing contract, and fails to change the status of the listing to expired (X) after the ten (10) day notice has elapsed. A fine of **\$50.00 per day** will be levied to the LISTING AGENT until the status change is effected. If the Listing Agent changes the status to withdrawn (W) versus the expired (X) status, the fine will be levied at **\$50.00 per day** for identifying the wrong status.

3.7 WITHDRAWAL OF LISTINGS – WITHDRAWN means TEMPORARILY OFF THE MARKET. A listing may be withdrawn from the Multi-List Service by the Listing Broker at the request of the owner(s) before the expiration date of the listing contract (negotiable days). There is no charge to the listing office for a listing withdrawal, but the original listing fee is due the Service. The withdrawal of a listing prior to its expiration date does not affect the validity and enforceability of the listing and the Seller and Listing Agency continue to be bound by the terms of the listing contract until its termination. This should not be confused with the termination of a listing, which is status X.

If a listing is WITHDRAWN (status W) it will remain in the system for the 365 days for which it was contracted or until the seller sends a notice of cancellation to the Listing Agent in compliance with the listing contract.

A listing fee will be required to be paid to the Service regardless of the length of time the listing has appeared in the system. This is not to be confused with the CANCELLATION of a listing.

- 3.8 HOLD LISTINGS** – An office may not re-enter a listing the Service has changed to a HOLD status. If this occurs, a fine of **\$200.00** will be levied to the Listing Agent. A HOLD listing will remain in the Online System for 30 days from the date it was placed on HOLD status. After 30 days, the listing will be deleted from the West Penn system.
- 3.9 EXCEPTIONS TO A LISTING** – All listings submitted to the WPML Office may not carry exceptions in any form. This includes, but is not limited to, deed restrictions, income guidelines and contingencies, etc. The listings also shall not include any exception or contingency which could be construed as discriminatory on the basis of race, color, religion, religious creed, sex, disability (physical or mental), familial status (children under 18 years of age), age (40 or older), national origin, use or handling training of support or guide animals, or the fact of a relationship or association to an individual known to have a disability as reasons for refusing to show, sell, or rent properties, loan money or set deposit amounts, or as reasons for any decision relating to the sale of the property, as such limitations are prohibited by Federal, State, and/or Local laws in existence at the time of the listing. In the event an exception or contingency which has not been pre-approved is discovered, the listing will be placed on HOLD status and the agent will be notified the listing has been placed on hold.
- 3.10 TERMINATION OF A LISTING** – A West Penn listing may be terminated by the parties using the procedure defined in the Standard Exclusive Listing Contract. The ten (10) day NOTIFICATION period, as outlined in the Standard Exclusive Listing Contract, begins with the FIRST POSTMARK DATE that appears on the envelope sent to the Listing Broker via CERTIFIED MAIL (return receipt). The date of the first postmark is considered day #1 when computing the ten (10) day notice. Termination remains contingent upon delivery of the notice at the proper address.

The termination notice may be sent ten (10) or more days PRIOR to the Early Termination Date as defined in the Standard Exclusive Listing Contract. The parties need not wait until the negotiated period of time has elapsed before sending the notice of cancellation to the listing office. If a party elects to send the termination notice more than ten (10) days before the Early Termination Date, this will not terminate the listing contract before the actual Early Termination Date defined in the contract. Rather, the listing will expire and be transferred to X status effective as of midnight on the Early Termination Date agreed to by the parties in the Standard

Exclusive Listing Contract contingent only upon the notice being sent ten (10) or more days prior to the Early Termination Date.

Example:

A listing is taken on July 1, for 30 days. On July 10, the owner/seller sends the Certified Letter. The listing should then be changed to status X effective midnight of July 30. If the notice of termination is sent on July 23, the listing will continue for ten (10) days beyond July 23 and will expire midnight of August 1.

The termination of the listing, as described herein, requires the Online System status be changed to carry the status of X. A terminated listing may NOT carry a W status in the Online System. Failure to comply with this rule will result in a fine of **\$5.00 per day** to the original Listing Agent from the date of termination.

At no time may the listing information be removed from the system or altered in such a fashion that it renders the online information useless. If a violation of this type occurs, a **\$100.00** fine will be levied against the Listing Agent.

3.11 LISTING POLICY – All listings are the exclusive property of the Broker of Record unless specifically agreed upon otherwise.

3.12 CORPORATE LISTINGS

- A.** When an existing listing is taken over by a Corporation, a new listing number, new listing contract, new property input sheet, new property disclosure statement, and new consumer notice are required. The previous listing must be expired from the system.
- B.** When processing a Corporate listing, the Corporate Representative is to sign the Standard Exclusive Listing Contract or submit a letter authorizing the Listing Broker to sign on behalf of the Corporation.
- C.** In any Corporate Listing, it is permissible for the Listing Agent to substitute the words “Corporate Listing” or “Corporate Owned” in the spaces designated for the Owner’s name.
- D.** West Penn Multi-List, Inc., will not accept any Corporation Clause that is exclusionary to the Broker’s compensation.
- E.** Offices accepting a Corporate listing are bound by the Corporate agreement regarding notification of cancellation.

3.13 CONTRACT TIME – The area designated in the contract with a blank _____ (Early Termination Date) is referring to the length of time the Agreement shall remain in effect before it may be terminated. If the parties agree upon an Early Termination Date, the blank is to be completed by inserting a date between one and 365 days. By law, the term of the listing contract may not exceed one (1) year. Therefore, if a date is inserted which results in a period of more than one (1) year, the contract is presumed to terminate at midnight of the one-year period.

All West Penn Multi-List, Inc. listings are taken for a period of up to 365 days and may be terminated after the length of time negotiated with the Seller. Listings may not be extended beyond 365 days. New paperwork is required for a relist.

When a Subscriber receives notice to cancel the listing from the owner(s), it is the listing office's responsibility to change the expiration date (or notify the WPML Office in writing to terminate the listing). The expiration date should be changed to reflect a date which is ten (10) days from the first postmark on the envelope, but no sooner than the date selected by the parties as the Early Termination Date.

Example:

If a listing is dated January 1, and the negotiated termination period is 30 days, a party may send the notice to terminate anytime prior to the 30th day for the contract to terminate on the 30th day. Termination becomes effective on the Early Termination Date so long as the postmark on the Certified Letter is at least ten (10) days prior to the Early Termination Date. If the notice is not postmarked and sent until the 40th day to terminate, then the contract would continue on until the 50th day.

3.14 LISTING LOCATION – Each listing may now appear in multiple areas of the MLS Online System. However, the listing, when sold, may only be reported once and not multiple times. The sold listing is to be closed out according to the correct zoning location. The other related listings must carry the status of X (expired) and not S (sold).

3.15 PROTECTION PERIOD – A new listing contract automatically cancels and supersedes any rights under any prior listing contract, except under the conditions in A, B, and C.

- A. A listing is terminated by the owner, or expires; *and*
- B. It is relisted by the same owner with another Broker in West Penn Multi-List, Inc., within 10 days after the effective date of termination or expiration; *and*

- C.** If within 10 days of the effective date of termination or expiration of the first listing (whichever occurs first), it is, for the first time, put under contract to a Buyer or Buyers at least one of whom was shown the interior of the property during the period of the first listing, then the original Listing Broker shall be entitled to the Listing compensation. Other than the above, the rights that the first Listing Broker might otherwise have in a sale to a Buyer who was shown the property during the original listing, but to whom it was put under contract during the period of the second listing, shall flow to the second Listing Broker.

Example 1:

If Broker A has a listing that was terminated by the owner, allowing for the ten (10) day termination notice, effective July 1, and the property is subsequently listed by the same owner with Broker B on July 5, then if the property is put under contract on or before July 10, to a purchaser(s) one of whom was shown the interior of the property during the term of the original listing contract, Broker A is entitled to the listing compensation.

Example 2:

In the above illustration, if the property were put under contract on July 12, then the listing compensation would be payable to Broker B since the ten (10) day period runs from the effective date of termination and not from the date Broker B lists the property.

- 3.16 LISTING INSERTION** – All listings entered into the West Penn Multi-List, Inc. Online System are required to have a fully executed listing contract in place. The listing contract may be either a WPML Standard Exclusive Listing Contract or the PAR Exclusive Right To Sell Real Estate Listing Contract, as the WPML will accept either of these contracts.

All listings entered should have a West Penn Multi-List, Inc. Seller Disclosure or a Pennsylvania Association of REALTORS Seller Disclosure (if applicable), and all other appreciable forms that are required with that specific listing. The type of forms will vary according to type of listing and requirements by the State of Pennsylvania.

- 3.17 OWNER(S) SIGNATURE** – All owner(s) are required to sign the listing documents. If the deed is recorded in more than one (1) name, ALL owners MUST sign the documents.

- 3.18 NAME OF OWNERS** – The person signing as the owner is required to produce documents proving his/her ability to list the property for sale.

If the proper owner's name depends on other documents such as Power of Attorney, Guardianship, etc., West Penn Multi-List, Inc. requires a copy

of such documents. However, a copy of the death certificate is not required when signing as executor/executrix.

See Rule 3.12 C for Corporate Listings.

3.19 PRESCRIBED FORMS – The Service from time to time will alter its forms. When this occurs, all Subscriber offices will be notified of the change. Thereafter, all Subscribers are required to use the new forms.

3.20 LISTING CONTINGENCIES – A listing may NOT be placed in the Online System if the listing is contingent upon the owner/seller finding a suitable dwelling or purchase of another home. If a listing is entered into the Online System with such a contingency, the listing will be placed on HOLD until written verification of removal is received by the West Penn Multi-List, Inc. by the owner/seller.

A property shall not be placed in the system unless a separate deed is available for conveyance of the parcel. However, in the event a contingency exists that the parcel must be subdivided, then the property may be placed in the system if the Listing Agent fully discloses this contingency in the AGENT REMARKS section during data entry. ***The Listing Agent is responsible for making this disclosure in the AGENT REMARKS section.***

The Listing Agent and the seller/owner will have **three (3) calendar days** after notification to either remove the contingency or remove the listing, except as noted in Rule 3.9, or the listing will be placed on HOLD. West Penn requires documentation from the owner/seller regarding the removal of the contingency/exception before the listing can be reactivated in the Online System.

The exception to this prohibition against contingencies shall include a listing of a unit in a condominium, planned community, and/or cooperative in the Commonwealth of Pennsylvania which contains a right of first refusal in its governing documents.

3.21 LISTING POLICY AND PROCEDURE – Each listing entered into the Online System will be required to follow the requirements stated below:

- A.** All blank areas on the listing contract must be completed.
- B.** Those listings which consist of multiple parcels may be included in one (1) listing contract and placed in the Online System with one (1) listing number. In the event that one or more but not all of the parcels become the subject of an Agreement of Sale, the listing shall be expired and a new listing entered with the parcel(s) which

have sold being removed from the listing. The remaining parcel(s) shall then be re-listed with a new listing number assigned and the updated pricing information included.

- C.** All listings entered into the Online System are required to be taken on the forms prescribed by the West Penn Multi-List. There is an exception for exclusive agency listings. The West Penn Multi-List, Inc. accepts both exclusive agency and exclusive right-to-sell listings.
- D.** A listing may appear in the Online System more than once. However, when the listing closes (sold) it may only be reported once. All other related listings must carry an X (expired) status.
- E.** Any pre-approved changes made on the listing contract, as well as write-overs and scratch outs, must be initialed by the owner(s).
- F.** In the case of a Corporate Listing, the Listing Agent should have a copy of the Corporation Contract.
- G.** The West Penn Standard Exclusive Listing Contract may not be altered except by permission of the Executive Director.
- H.** If a bonus is offered for a particular listing, the offer must be made to the Selling Broker/Agency. The offer may not be made to the Selling Agent. This information may only appear in Agent Remarks.
- I.** A listing may not be entered with a contingency, except for subdivisions or new construction (never occupied).

There are some exceptions to this rule, e.g., no access/land locked or no appreciable land mass.

- J.** The section of the Property Input Statement designated as SAC/BAC/TLC requires that the Listing Broker include and designate on this section of the form the compensation being offered by the Listing Broker to the Selling Broker. This section of the form is mandatory and must be completed. For those listings which do not offer compensation to the Buyer's Agent, this section of the form should not be left blank. Rather, the form should be completed by indicating \$0.00 if no compensation is being offered. For those listings in which compensation is being offered, the amount must be designated on the form. The Listing Broker may modify the SAC/BAC/TLC offered to other Brokers without notifying

the WPML Office of such modification as the WPML plays no role in such negotiations or agreements.

- K.** If there is a different compensation offered for an in-house sale, on any listing, this fact must be disclosed in the ICD section of the Property Input Statement and Online System.
- L.** When a listing is entered into the Online System and the listing information indicates that a lock box is present, that lock box is required to be a lock box furnished by the Service and available for entry by all Subscribers. Failure to comply will carry a fine of **\$100.00**.
- M.** There are specific areas identified in the Online System as MANDATORY fields. If these fields are not completed with the correct information, a fine of **\$5.00 per day** will be levied to the Listing Agent until the areas are completed or corrected.

Certain fields in the Online System are designated as mandatory and must be completed. If any of the mandatory fields are not completed, a fine in the amount of **\$5.00 per day** will be levied on the Listing Agent. The Agent is responsible to complete the fields that are mandatory. If the Agent is not able to complete a mandatory field because of circumstances, such as new construction or other situation, the Agent should include a designation in the field explaining why the information was unavailable, such as N/A or See Agent Remarks and shall also provide an explanation in the AGENT REMARKS field why the mandatory field(s) have not been completed.

- N.** If at any time an Agent/Broker places a non-Service-supplied lock box on a listing in the Online System, and this listing carries information on how to access the lock box, the listing will be placed on HOLD status and the Agent/Broker will be informed that this information should be removed from the Online System. Upon removal of this information, the listing will then be reactivated. Only Service-provided lock boxes may be placed on properties listed in the West Penn Multi-List, Inc.

If a corporation is listing a property with a Broker/Agent and they require "their own" lock box be present for maintenance purposes, this is acceptable in the West Penn Multi-List, Inc., but it may not be indicated anywhere in the online information.

- O.** **Square Footage – Single Family Dwelling or Building:** When entering data into the Online System for the field titled Square

Footage, the information shall be limited to the square footage of the Single-Family Dwelling or Building only. The information entered should not include the square footage of the land the dwelling or building is located upon. Square Footage is not a mandatory field and is optional. The WPML is not responsible for, nor do they direct, the manner in which this information is obtained. Each Agent subscribing to the Service is encouraged to consult with the Broker of Record as to the manner in which this information should be obtained before it is entered in the system. WPML recommends that the Agent keep accurate records and verification on where the information was obtained. The Listing Agent should obtain direction from the Broker of Record as to whether this information is obtained from county tax records, an appraisal, Realist®, or another source.

3.22 REASON FOR REMOVAL OF LISTING – The Service may, at any time, remove a listing that does not conform to the Rules and Regulations of West Penn Multi-List, Inc.

3.23 IMAGES – Each office/company is required to provide their own images within the online Service. Each image that is added to the Online System shall not include images of individuals in the home. The inclusion of images (including photos) of children or other individuals on the property is strictly prohibited.

Photographs are no longer accepted by the West Penn Multi-List office for insertion in the system. Each Broker/Agent is responsible for the insertion of images as well as the care and maintenance of the images uploaded.

In SLOT #1 of the image sequence, an EXTERIOR VIEW of the ENTRANCE of the dwelling/main structure (if residential) or building/main structure (if commercial) is mandatory. This also applies to FAL properties that may have multiple structures/buildings. This image in SLOT #1 may not be a split screen or multiple screenshot. There are no exceptions. If an image other than a dwelling/main structure and/or building/main structure EXTERIOR VIEW ENTRANCE is uploaded, the fine is set at **\$100.00** and will be levied to the Listing Agent. The Agent will be notified of the infraction and will have 24 hours to correct the violation. If the image is not removed/replaced, the West Penn office will remove the image and notify the Agent. The Agent will have 24 hours from notification to add an acceptable image of a dwelling EXTERIOR VIEW ENTRANCE to the image line up. Failure to comply will result in an **additional \$100.00** fine levied to the listing agent.

Additional images of the listing may be uploaded to the system using the recommended format acceptable to the vendor. The additional images

may vary from additional exterior images, interior images, survey, property images, pool, etc. All images MUST be of the property for sale/lease (or of amenities available if it is a community which offers specific add-ons). No personal images of Agents, business cards, signs, advertising, or other information is acceptable. If in doubt, contact the West Penn Multi-List office for more details.

- A. The West Penn Multi-List has the right to remove any image that does not conform to the listed requirements or is inappropriate.
- B. The West Penn Multi-List, Inc. will levy a **\$100.00** fine to anyone who removes pertinent listing information or images from the Online System. **Example:** Information removed from a listing that has expired or has been withdrawn or sold (but not limited to these statuses) such as: owner name, address, etc. All information that was previously associated with a listing MUST remain with that listing in the system regardless of status, with the exception of show information.

The homeowner may request removal of images (except for the EXTERIOR image in SLOT #1) after the sale of said property. This request is required to be sent to West Penn Multi-List by the Listing Agent.

- C. When properties are relisted following the release or expiration of a listing, the Broker/Agent relisting the property is prohibited from using the previous images from the prior listing in the new listing. All images, as well as listings, are the property of the Broker of Record and remain with the listing in the system at the company where the property was originally listed. Unless it is the original Listing Agent affiliated with the original listing company, or if the Broker of Record gives written permission to the Agent requesting usage of the image(s).

A violation occurs if images from a previous listing are uploaded to a new listing. The fine for this infraction is **\$100.00 per image per occurrence** and the image(s) must be removed within 48 hours of notification of the rule infraction. Failure to respond will result in additional fines, removal of image(s), or finally, the listing placed on HOLD status. Each fine will be levied on a per-listing basis.

- D. An exception exists to this rule for the images that are the property of the homeowner, and they must have proof of ownership.
- E. Within four (4) days of the listing date, all new listings with a dwelling/building constructed thereon shall be required to have an

exterior view of an entrance to the property image of the dwelling. The exterior view of an entrance to the property is to be inserted in SLOT #1 of the listing. Failure to comply with this requirement shall result in a fine of **\$25.00 per day** for each day Subscribers are found to be in violation. This rule shall apply to all RES, MUL, CIB with a structure, and FAL with a structure listings that have a building or dwelling erected thereon. This rule will apply to all listings, regardless of status.

- F.** The Listing Broker retains all proprietary rights of the listing, including the images. Images that have been uploaded onto the Online System may be utilized by another Company/Agent under the following circumstances only:
1. The original listing company may permit the use of these images by another Subscriber upon WRITTEN authorization from the LISTING BROKER. *Permission for such use is not valid if provided by an Associate Broker or Listing Agent. Permission may only be obtained from the LISTING BROKER.*
 2. The letter allowing the use of the images is required to be sent to the West Penn MLS office prior to use or a fine of **\$100.00** will be levied to the office that is utilizing the images without written authorization.
 3. The letter authorizing the use must clearly and expressly identify those images which may be used by another Subscriber, and only the Subscriber who is being granted permission to use the images shall be permitted to display the images.
 4. Each time the property is listed, it will require a letter of authorization if the company listing the property plans to reuse the images. Each such letter must only pertain to a specific listing and a specific listing number.
 5. Failure to follow this format will result in an immediate **\$100.00** fine.

3.24 VIRTUAL/DIGITAL STAGING OF IMAGES – Virtual Staging is defined as using a photo editing software or other means to create a photo or conceptual rendering of what the interior room(s) and/or interior of the property would look like if the current image was staged to appear differently than at the time the photo or image was taken. An example would be to place furniture so that the image provides an example of what

the room would look like with furniture being in place. Any virtual staging of the images shall be only of the interior of the property and no photos of the exterior of the property shall be virtually staged.

Subscribers also are not permitted to include visual elements concerning the property which do not exist, such as the inclusion of a golf course, lake, ocean, mountain, or any other scene or location which is not an accurate description of the actual background of the subject property. Subscribers also should not modify visual elements of the interior of the property, such as holes in the wall, exposed wiring, damaged flooring, or any other condition of the property itself. The use of virtual staging shall also not include branding nor shall it include images of people or words or descriptions across the image. The image also shall not distort the dimensions of a room or space by placing small furniture within a room to make the room appear larger or any other distortion of the actual dimensions of the image itself.

A fine shall be imposed upon the Subscriber who violates the Virtual/Digital Staging of Images rule. The initial fine shall be in the amount of **\$500.00** per occurrence, and the staged or modified photo shall be removed from the listing. In the event of repeat violations of this rule, the fine may be increased at the discretion of the West Penn Multi-List, with the amount of each subsequent violation increasing **\$500.00 per occurrence**.

3.25 PROCEDURE TO OPT OUT OF INTERNET DISPLAY OF LISTING INFORMATION – The PAR OPT form, as may be amended, defines certain options for the Seller to elect concerning the display of property information. The Seller may elect the option of not having the property information and/or address displayed on the internet. The Seller may also elect options for how the property is displayed on a VOW and or IDX website. WPML Subscribers are required to return the PAR Seller Opt-Out Addendum to the Listing Contract to the WPML Office **within three (3) calendar days** of this form being completed. The failure to return this form to the WPML Office **within three (3) calendar days** shall result in a fine in the amount of **\$250.00 per occurrence**.

3.26 CLEAR COOPERATION POLICY FOR RESIDENTIAL LISTINGS – Each Residential Listing is subject to the following requirements: Within one (1) calendar day of marketing a Residential Listing to the public, the Listing Broker must submit the listing to the WPML for cooperation with other MLS Participants. The one (1) day time period to submit the Residential Listing is one (1) calendar day and shall not be extended in the event of a weekend or holiday. Marketing to the public and the requirement to submit the listing within one (1) day thereof applies to marketing of any nature, including, but not limited to, flyers displayed in

windows, yard signs, digital marketing on public-facing websites, Brokerage website displays (including IDX and VOW), digital communications marketing (including email blasts), social media, multi-brokerage listing sharing networks, and the applications available to the general public. Copies of the Listing Contract are to be provided, upon request, to confirm the date of execution and will then be destroyed as WPML does not retain the copies. A violation of any of the terms of this rule shall result in a fine of \$1,000 for the first violation and will be subject to the fine doubling for subsequent violations. These requirements apply to all Residential Listings.

- 3.27 COMING SOON LISTINGS** – Coming Soon Listings are those which are intended to provide the Seller with time to prepare the property before it is ready to be shown. In the case of such listings, the Seller is required to sign the WPML Seller Authorization For Coming Soon – No Showings form within three (3) calendar days of the Effective Date for those listings which are designated as “COMING SOON - NO SHOWINGS.” The Coming Soon – No Showings form must be submitted to the WPML Office within three (3) calendar days, or if marketed to the public as described in these Rules, within one (1) calendar day, of the Effective Date. Because these requirements refer to calendar days rather than business days, the time period is not extended by weekends or legal holidays.

Listings shall be placed in the Coming Soon status for no more than thirty (30) days. The days the listing shall be considered on the market will commence on the date the listing is placed in active status in the Matrix system. If the listing is not designated as active within 30 days, the listing will automatically convert to active status. Coming Soon Listings may not include any property for which an Agreement of Sale / Lease has been accepted prior to listing. During the time period before a Coming Soon Listing is placed in Active status, the property is intended to be prepared for marketing and is not to be shown. It shall be the responsibility of the Agent to change the status of the listing when it becomes active. A violation of this Rule shall result in a fine of \$1,000.00 for the initial violation. In the event of a subsequent violation of this Rule, the amount of the fine will double for each subsequent violation.

SECTION 4. SELLING PROCEDURES

- 4.1 SALES AGREEMENT** – When an agreement of sale is signed (fully executed by all parties), the sale must be reported **within three (3) calendar days** of execution, or a **per-day fine of \$50.00** will be levied. The reporting of this information is the responsibility of both the office listing the property and the office selling the property.

The listing office would report the sale via the Online System and the selling office (if not the same) would send a Change Listing Report to the WPML Office via email or fax if the listing company has not complied.

4.2 CONTINGENCIES – A listing may only be placed under the status of C if the owner(s)/seller(s) is willing to CONTINUE TO SHOW the property and TAKE BACK-UP AGREEMENTS.

If the C status is used when, in fact, the owner(s)/seller(s) is not willing to take back-up agreements to the property, a fine in the amount of **\$100.00** will be levied to the Listing Agent as well as a fine in the amount of **\$50.00 per day** from date of fully executed sales agreement until the status is corrected online.

The listing may NOT carry an A (active status) in the Online System when an agreement is in effect **except in the case of specific language that releases the seller to sign a subsequent agreement of sale with NO notice of cancellation to the buyer(s) of the first agreement.** This clause (addendum) must be sent to the West Penn Multi-List, Inc. with the listing number noted on the addendum.

The only PAR form that will permit a listing to remain ACTIVE (A) in the Online System is the SSP/CM.

If a company has designed their own form, it must be in compliance with the Rules and Regulations of West Penn Multi-List, Inc. The language for the form must be approved by WPML prior to usage. Any such form submitted to the West Penn Multi-List, Inc. for verification of the contingency must be comparable to the PAR form SSP/CM or any other form that PAR may publish that is consistent with the SSP/CM form. WPML retains the right to reject the form if it is similar to the PAR forms: SSP/TKO or SSP.

The listing status may not be changed to active until either the PAR form REL or TER has been signed by the appropriate party or parties. PAR forms SSP/TKO and SSP may not place the listing to active status.

Any listing that carries a signed sales agreement MUST carry a status of U or C. If the listing carries an A status (see above exception), a fine will be levied to the Listing Agent from the date of the sales agreement at **\$50.00 per day** until the status is changed in the Online System to U or C.

4.3 NO SHOWINGS RULE – Procedure for violations as a result of showing a property when other Subscribers are led to believe property is not available for showing.

It will be improper for a listing agency to permit a property to be shown when other Subscribers are led to believe the property is not available for showing. It is also improper for any Broker or Sales Associate to violate a NO SHOWING NOTICE by either contacting the owner, directly or indirectly, or doing any act which attempts to evade the terms of the NO SHOWING NOTICE. Violation of this rule will result in a minimum fine of \$1,000.00. For each subsequent violation by the same Broker or Sales Associate, the fine will increase by an additional \$1,000.00 per occurrence, to deter repeat violations.

It is recommended that whenever a Subscriber indicates "no showing until a specific date" that you also change the SHOW information in the Online System to correspond with the request as well as the CONTACT name and phone number.

- A.** Any alleged violation of the rule concerning the showing of a property when other Subscribers are led to believe the property is not available for show shall be referred to the Executive Director of West Penn Multi-List, Inc.
- B.** The Executive Director shall require the complainant to furnish a written description of the alleged violation. **A complaint may only be filed by the Subscriber Broker. No complaint will be considered if not in writing and signed by the Complainant.**
- C.** The Executive Director shall conduct an independent investigation of the alleged violation:
 - 1.** If such investigation reveals that no actual violation has occurred, the Executive Director shall notify the Complainant of the results of the investigation and shall make note in the file that the complaint was dismissed. Prior to proceeding with the investigation, the Subscriber who is alleged to have committed the violation shall be notified of the complaint and provided an opportunity to respond.
 - 2.** If the investigation by the Executive Director reveals that there may be reasonable grounds to believe a violation has occurred, then the procedures set forth in Paragraph D shall be implemented.
- D.** The Executive Director, upon determining that a violation may have occurred, shall forward a copy of the written complaint to the Subscriber Broker (the "Respondent") who has been charged with

such violation. This written Complaint shall be accompanied by a letter containing the following information:

1. The Respondent shall have a period of ten (10) days in which to file a written answer to the Complaint. This response should contain all information pertinent to the allegations and a time line, if applicable, as well as any other documentation pertinent to the alleged violation of the occurrence.
2. The Respondent shall be notified that the fine for a first offense is set at \$1,000.00, and this fine, if levied, shall have a due date as noted on the statement sent to the Respondent.
3. At the conclusion of the review, the Executive Director shall notify the Respondent of the decision, and that decision shall be final and not subject to any appeal.

4.4 CANCELLATION – A cancellation of a sale, or termination of a sale agreement, shall be reported in the Online System **within three (3) calendar days**, or a fine will be levied for an incorrect status (**\$50.00 per day**).

4.5 TIME/METHOD OF REPORTING – All reports that are required to be implemented under this section (Section 4 Selling Procedures) shall be made **within three (3) calendar days** of the occurrence of the matter to be reported, by entering the information into the Online System, or sending it to the West Penn office by mail, email, or fax.

If the reporting of sales or under agreements is not reported **within three (3) calendar days** from the time of all signatures being affixed, a fine will be levied from the Multi-List office at **\$50.00 per day**.

4.6 REPORTING LEASE PURCHASE/INSTALLMENT LAND CONTRACT – A listing that has been put under contract with a lease purchase, lease option, or installment land contract is to be reported as a sold listing as soon as the Buyer has taken possession of the residence.

4.7 ADVERTISING – Each Broker shall advertise only his/her own listings and shall not advertise the listing of any other Broker without the written consent of the Broker of Record.

4.8 BUYER'S NAME – Anyone not completing the Buyer's name area in the Online System (“unknown” is not acceptable) will receive an initial fine of **\$100.00** plus an additional fine of **\$5.00 per day** from date of closing. The

use of initials for a last name is not acceptable. The last name of the Buyer is required.

4.9 STATUS REQUIREMENTS – When a listing status is changed in the Online System, it is the responsibility of the Agent to secure verified, signed documentation of the change.

In the event of a sales agreement, the Agent is required to receive a copy of the fully executed sales agreement with ALL signatures affixed. Until this completed paperwork is received by the Agent, the status cannot be altered.

A notice of listing cancellation MUST follow the prescribed format clearly defined in the West Penn Standard Exclusive Listing Contract. This format requires the owner(s) to send a CERTIFIED LETTER return receipt to the Listing Broker giving a ten (10) day notice of cancellation. If the owner does not follow this defined format in the listing contract (as long as the amount of negotiable days has elapsed), the listing will remain with the original Listing Broker.

4.10 SHOW EXPLANATIONS:

This rule applies to Brokers, Agents, and Appraisers.

APT OCC – Appointment with occupant: The showing real estate Agent/Appraiser is to call the owner, occupant, or contact of the property to schedule an appointment to show the property. This field means that there is NO lock box present on the property. If a showing Agent/Appraiser is informed that there is a lock box on the property (or the showing Agent finds a lock box on the property), West Penn must be notified. Upon notification, West Penn will fine the LISTING AGENT **\$100.00**. The LISTING AGENT will have 30 days to pay the fine or their Supra Key will be deactivated until the fine is paid.

APT LIS – Appointment with listor: The Showing Agent/Appraiser is required to call the Listing Agent to schedule an appointment to show the property. This field means there is NO lock box on the property. If a lock box is on the property, a fine in the amount of **\$100.00** will be levied to the LISTING AGENT. The LISTING AGENT will have 30 days to pay the fine or their Supra Key will be deactivated until the fine is paid.

If the property owner/contact has an answering machine, the showing Agent/Appraiser is to leave a message on the machine that they are going to show the property and the date and approximate time of the showing. Naturally, if the Showing Agent/Appraiser is successful in reaching the owner/contact, an appointment can be made to show the property. If the Showing Agent/Appraiser does not call and attempts to show the property, a fine of **\$100.00** will be levied to the Showing Agent/Appraiser. This fine will be levied directly to the Showing Agent/Appraiser. The Showing Agent/Appraiser will have 30 days to pay the fine or their Supra Key will be deactivated until the fine is paid. Prior to using a lock box on an occupied listing, the showing Agent/Appraiser is required to announce entry (with doorbell if available or knocking on door). If the fine is not paid within 30 days, the Listing Agent's Supra Key will be deactivated until the fine is paid.

VAC/LB – Vacant/Lock Box: The property is vacant/unoccupied and may be shown by utilizing the lock box. This fine will be required to be paid within 30 days. If the fine is not paid within 30 days, the Listing Agent's/Appraiser's Supra Key will be deactivated until the fine is paid in full.

APT/LB – Appointment Lock Box: A lock box is present on the property. The Showing Agent or Appraiser is required to contact the person designated as the CONTACT in the listing information or other contact arrangements stipulated in the REMARKS area for a showing. It is understood that a showing of this particular property may ONLY take place after confirmation of the APPOINTMENT. Confirmation of the scheduled appointment must be by phone or in writing in the form of a text message or email. Confirmation is not to be presumed, and telephone confirmation requires actually speaking with the contact rather than simply leaving a message. Confirmation requires agreeing on a date and time for the showing. **Confirmation by text, email, or other format shall not be presumed and is established by a reply.** If the Showing Agent or Appraiser violates the SHOW instructions, a fine of **\$500.00** will be levied to the Agent/Appraiser. If it has been determined that a violation has occurred, the showing information will be obtained from the lock box to levy the fine. The Agent/Appraiser who violated the SHOW request will be fined **\$500.00** (for each offense) and will have 30 days to pay the levied fine. If the fine is not paid

within the 30-day period, the user's services (Supra access and MLS) will be placed on hold until the fine is paid in full.

KEY/LIST – Key/Listor: In order to show this property, the key to gain access is available for pickup at the listing office. The key **MUST** be returned the same day unless other arrangements are made with the Listing Agent or Office Manager. If after 48 hours the showing Agent/Appraiser has not returned the key, the Agent's/Appraiser's services will be placed on **HOLD** until the key is returned. If the key is unavailable for use after 48 hours of a request, a **\$5.00 per day** fine is levied to the Listing Agent until the key to the property is produced. This fine levied to the Listing Agent will have a due date of 30 days. If the fine is not paid within 30 days, the Listing Agent's Supra Key will be deactivated until the fine is paid in full. If a lock box is present on the property, a fine in the amount of **\$100.00** will be levied to the Listing Agent. The Listing Agent will have 30 days to pay the fine in full. If the fine is not paid, the Listing Agent's Supra Key will be deactivated until the fine is paid in full.

CALL TEN – Call Tenant: This property is currently occupied by a tenant and a Lock Box is not present. **PRIOR** to showing the property, the **TENANT** must be called to make an appointment to show. The tenant's name and phone number **MUST** be listed in the Contact area of the input sheet or a per-day fine of **\$5.00** will be levied to the Listing Agent from date of listing. This fine will have a 30-day period to be paid. If not paid, the Listing Agent's Supra Key will be deactivated until the fine is paid in full. If a lock box is present on the property, a fine in the amount of **\$100.00** will be levied to the Listing Agent. This fine will have a due date of 30 days. The WPML recognizes only Supra Lock Boxes on properties.

SECTION 5. MLS SERVICE FEES

5.1 SERVICE FEES – Each month, the Subscriber (as defined by these Rules, including Affiliate Subscribers) will be charged for each licensed Agent/Certified Appraiser, Affiliate, or authorized user utilizing the services provided by the West Penn Multi-List, Inc. These charges shall be determined by the Board of Directors of the West Penn Multi-List, Inc. and the amount of the charges may be set or modified at the discretion of the Board.

All MLS Service Fees are required to be paid upon receipt of the invoice by the Subscriber. Failure to pay the indebtedness within the specified time will result in suspension of services and possible expulsion.

MLS Service Fees encompass a variety of services: Online System, lock boxes, forms, upgrades to the system, training, help desks for keys and Online System, supply delivery, online training, and onsite assistance.

MLS Service Fees will be charged to each Subscriber, Affiliate, or authorized user for each Licensed Agent/Certified Appraiser/Certified Home Inspector affiliated with each Subscriber office. From time to time, the West Penn Multi-List will review the state website and add active Agents to an office if they are not registered. Any Subscriber will be charged MLS Service Fees for these additional associates if they currently do not appear on their roster to be charged for MLS Service Fees. This will be done without notice. This also applies to any Broker advertising Agents affiliated with their company but not subscribing to MLS Service Fees. These Agents will be added to the Broker's MLS Service Fee monthly charge.

An Agent ID# (identifying account number for each participant in the West Penn Multi-List, Inc.) will be issued to each system participant in accordance with their affiliation with the State of Pennsylvania and qualifications required in West Penn Multi-List, Inc., including Appraisers and Home Inspectors. Each participant will be issued a specific Agent ID# in the system that will identify them as an authorized user. Only one (1) Agent ID# may be issued to the following system users: Broker, Associate Broker, Agent, Appraiser, and Home Inspector. At no time may a system user have more than one (1) Agent ID# assigned to them. Agent ID#s currently in use (and not in use) and assigned to specific system users may not be reassigned to another system user.

If at any time West Penn Multi-List, Inc. is alerted to the fact that any Agent is listing properties under another Agent's name while they are in fact listed by an individual not currently being charged MLS Service Fees, the Service will have the right to add the individual to the next month's

billing cycle. A **\$100.00** fine for this infraction will be levied to the Agent who is currently active in the Service.

SECTION 6. AGENTS/APPRAISERS/AFFILIATES

6.1 PURCHASE REQUIREMENTS – Each Subscriber is required to order MLS Service Fees equal to the number of Agents/Appraisers/Affiliates/Licensed Assistants/Licensed Administrative Assistants/authorized users (including part-time and teams) associated with said Broker/Appraiser. This may change at any time by direction of the Board of Directors of West Penn Multi-List, Inc. West Penn Multi-List, Inc. does not permit sharing services or system information.

At any time, if a Broker/Appraiser advertises that an authorized user is affiliated with his/her company, the West Penn Multi-List, Inc. will add this individual to their MLS Service Fee Roster without notification. The West Penn Multi-List, Inc. will file the substantiating document used to secure this data in the company's file for their reference.

If the West Penn Multi-List, Inc. is notified that a Broker is listing properties under one Agent's name while they are in fact listed by another Agent that is not listed under the MLS Service Fee Schedule, then the Service will have the exclusive right to add the Agent's name in question to the MLS Service Fee account of that Broker and, in addition, a fine in the amount of **\$100.00** will be levied to the Broker of Record. If this happens on more than one (1) occasion, the Broker of Record will be asked to attend a Board of Directors Meeting for further discussion, fine, or possible suspension or expulsion.

In the case of an appraisal firm, if the West Penn Multi-List, Inc. is notified that an Appraiser is sharing the data or allowing the Appraiser's User ID# and login to be utilized by non-Subscribers within his/her office, a fine in the amount of **\$100.00** will be levied to the Appraiser Subscriber. If the Appraiser Subscriber shares West Penn Data with a non-Subscriber or an outside source looking to secure the confidential data owned by the Broker of Record affiliated with the West Penn Multi-List, Inc., the Appraiser Subscriber will be asked to appear before the Board of Directors for a fine and possible expulsion from the West Penn Multi-List, Inc. Appraisers are not to furnish the MLS confidential data to anyone who is not formally affiliated with their organization.

6.2 CANCELLATION OF MLS SERVICE FEES FORMAT – MLS Service Fees may be cancelled under the following conditions and following the format below:

- A.** A letter signed by the Broker/Manager/Certified Appraiser/Certified Home Inspector must be sent to the WPML Office informing the Service to terminate the individual from their office; the letter must include the effective date. Agents cannot cancel Multi-List Service. The letter must be signed by the Broker, Manager, Certified Appraiser, or Certified Home Inspector. If the Agent is going into escrow or referral, a copy of that paperwork is required to be submitted with the notice.
- B.** The cancellation letter **MUST** arrive before the 15th day of the month for cancellation in the following month. The letter is required to provide the Office ID# of the office canceling the Agent/Certified Appraiser or Affiliate, and it is required to provide the name and assigned AGENT ID# of the person in question.

If the office has information as to where the Agents/Certified Appraisers, or Affiliates are relocating, we ask that this also be provided at the time of correspondence. **NO VERBAL CANCELLATION WILL BE HONORED!**

- C.** If transfer information on the Agent, Certified Appraiser, or Home Inspector is not provided at the time of cancellation, the individual's key will be deactivated until notification is provided (in writing) to the West Penn Multi-List, Inc.
- D.** All existing listings carrying the transferred individual's ID# should be transferred, by written direction from the Broker of Record, to another active Agent/Broker within the office who carries an active ID#.
- E.** After the cancellation notice is received by West Penn Multi-List, Inc. all services to the individual will be canceled. This means that they will no longer have access to the Multi-List Service, and the key will be deactivated.
- F.** All keys and lock boxes must be returned to West Penn Multi-List office.
- G.** If an Agent returns a key, this does not cancel their MLS Service unless a letter is received at WPML signed by the Broker, Office Manager, Certified Appraiser, or Certified Home Inspector informing the Service of the cancellation. Only the Broker, Office Manager, Certified Appraiser, or Certified Home Inspector can cancel an Agent's, Appraiser's, or Home Inspector's Service. The return of a key does not constitute cancellation of Multi-List Service unless specific instructions accompany the key.

H. Unlicensed Administrative Assistants do not generate a monthly charge. WPML does request that upon departure of an Administrative Assistant, a written notice is to be sent to deactivate their ability to use the system. There is no charge for this. West Penn is to be notified of the new Administrative Assistant's name, and a new number and password will be issued.

6.3 ELECTRONIC BOXES – Lock boxes are the property of the West Penn Multi-List, Inc. They are leased to the Broker of Record of a Subscribing company. If the lock box is lost, stolen, damaged, inoperable, defaced, etc. in any way, the Broker will be billed a current replacement cost fee. Removal of an inoperable lock box will be at the time and expense of the Broker of Record. WPML may recall lock boxes at any time to circulate among its Subscribership. Lock boxes are NOT leased to Agents, nor are Agents to remove lock boxes from any company upon their departure.

The following may NOT be altered or a \$100.00 per item will be levied to the Agent: You may NOT use CBS codes. You may not change the shackle code and you may NOT change the time unless you are using the preset times of 24 hours or factory set hours.

6.4 SHARING OF SERVICES – Sharing services between Agents is NOT permitted in the West Penn Multi-List, Inc. This means that no services may be shared (Online System, Supra Key, etc.) among the Subscribers. **Example:** Agent/Licensed Assistant, husband/wife, mother/daughter, father/son, teams, etc. Regardless of the circumstances, each individual utilizing the Service is required to subscribe to the monthly MLS Service Fee independently.

6.5 ADVERTISING AGENT, ASSISTANT, CERTIFIED APPRAISER, OR CERTIFIED HOME INSPECTOR AFFILIATION – At any time, if an advertisement appears in any type of publication, radio, television, online, Real Estate Commission website, etc., that indicates a particular Agent/Certified Appraiser, LICENSED Assistant, or Home Inspector is affiliated with a company, and that individual is not subscribing to the monthly MLS Service Fee, the individual will be added to that particular company's billing statement without notification.

If this person feels that an error has occurred in adding this person to the company's billing statement, a signed notarized statement must be received at West Penn Multi-List, Inc. (signed by the Broker or Certified Appraiser) stating the error. This statement must indicate that the individual is not actively involved in real estate and show validated proof that the license or certification is in escrow. If the same individual again surfaces in an advertisement, the Broker, Certified Appraiser, or Certified

Home Inspector will be fined **\$100.00** and placed on notice that future fine amounts will escalate, and possible suspension could occur.

6.6 SUBSCRIBERS HOLDING MORE THAN ONE (1) DESIGNATION – In the event a Subscriber or Affiliate Subscriber holds more than one type of Subscribership, the following guidelines shall apply:

If any of the West Penn Multi-List, Inc. Subscribers join as more than one (1) category of Subscribership, they would be required to pay the requisite fee for each separate category of Subscribership. The lock box key privileges would be tied to the fee arrangement that is conducive to the most usage of system programs.

Example:

If a Subscriber joins as a Certified Home Inspector and also as a Licensed Real Estate Agent, the individual would be required to be registered as a Licensed Real Estate Agent and pay the designated fee for each category of Subscribership to the West Penn Multi-List, Inc. They would qualify for only one lock box key.

Regardless of the designation, the Subscriber would be required to identify themselves and their affiliation upon securing a listing, appraising a listing, securing a sales agreement, or completing a home inspection. Failure to properly identify their capacity will result in a fine to be determined by the West Penn Multi-List, Inc. based on severity and possible loss of all services for an appropriate time period.

SECTION 7. RESPONSIBILITY FOR ACCURACY

7.1 LISTING BROKER'S RESPONSIBILITY – Every Subscriber placing a listing with the Service shall bear full responsibility for the accuracy of the information submitted. Each Broker, by becoming a Subscriber of the Multi-List Service, automatically agrees to reimburse, indemnify, hold harmless, and forever defend West Penn Multi-List, Inc., or any member thereof, from any claim or action brought against West Penn Multi-List, Inc., or Subscriber thereof, on account of erroneous information submitted to the listing Service by said listing member.

7.2 ACCURACY OF ADVERTISING – As a condition of Subscribership in the West Penn Multi-List, Inc., each Subscriber agrees that any and all advertising of any form that includes the West Penn Multi-List, Inc. name or in any way makes reference to the West Penn Multi-List, Inc. either directly or by implication, shall be accurate and provide a true picture of the listing data and does not exaggerate the listing data in any way. Reference to the number of listings that are available by and through IDX program must be accurate and not exaggerated or inflated in any way.

Subscriber agrees to reimburse, indemnify, hold harmless, and forever defend the West Penn Multi-List, Inc. from any claim or action brought against the West Penn Multi-List, Inc. or Subscriber on account of erroneous information contained in any advertisement. Subscriber acknowledges that the content of the advertisement is solely the responsibility of the Subscriber and not West Penn Multi-List, Inc. This restriction and agreement will apply to advertisements in any form, whether print, electronic media, or other form.

SECTION 8. COMPLIANCE/ENFORCEMENT/PENALTIES

SECTION 10. FEES AND CHARGES

- 10.1 CHARGES IMPOSED** – Subscribers shall pay such fees and charges as adopted by the Board of Directors from time to time.

- A.** Lock boxes are owned by West Penn Multi-List, Inc. and leased to the Broker of Record at no charge. Any lock box that is stolen, lost, defaced, damaged, or deemed not reusable by West Penn Multi-List will result in a current replacement fee cost levied to the Broker of Record/Subscriber.

Removal of an inoperable lock box will be at the time and expense of the Broker/Subscriber. If a lock box is unresponsive and must be removed (cut off the property), the Agent will need to secure a reference number. This number will be supplied by the manufacturer, Supra Products, Inc., and will need to be obtained prior to cutting the box from the property. Failure to secure a reference number will result in the Broker of Record being charged the current replacement fee for the lock box.

Once an unresponsive lock box is removed from a property, it must be returned to the West Penn office WITH THE REFERENCE NUMBER and Office ID number. After processing, a replacement lock box will be sent to the office to which the lock box is assigned.

WPML may recall lock boxes at any time to circulate among its Subscribership. Lock boxes are NOT leased to Agents!

WPML will accept the information provided by auto-population. However, if this area is blank in auto-population, the listing Agent will be required to complete this area with the correct data within 48 hours of data entry into the system, or a fine of **\$5.00 per day** from the list date will be levied to the Listing Agent.

 - 4. SUB-AGENCY AND BUYER AGENCY COMPENSATION - (ICD) (SAC) AND (BAC) –** These areas on the input sheet are required fields and **MUST** be completed. The field may

NOT carry the full rate of the listing compensation or the total minimum fee. It should be a decimal figure or dollar amount of what will be paid from the sales price to the selling office at the time of closing and zero (0) is an acceptable answer. **Example:** It may not carry 50%, 40%, 60%, etc. It should carry something such as 3.0, 2.5, and 5.0, etc. **Please note that the above are examples only and should not be misconstrued as rates fixed by the Service.**

5. If there is a different compensation for an in-house sale on any listing, it must be indicated in the ICD area on the input sheet with a Yes or No. Failure to do this will result in a fine of **\$100.00**.
6. **NSF OR ACCOUNT-CLOSED CHECK – A \$50.00** service charge will be levied to anyone who submits a check to West Penn Multi-List that does not clear the bank. If the WPML Office receives three (3) NSF (non-sufficient funds) or Account-Closed Checks within a 12-month period, all future payments will be required to be made with CERTIFIED CHECK, MONEY ORDER, or CASH. An NSF check may only be replaced with cash, certified check, or money order.
7. The amount of a fine is set by the Executive Director and the Board of Directors. The fine amount may vary according to the severity of the violation or the number of occurrences the office tallies for the same type of violation.
8. A **\$100.00** fine will be levied to the Listing Agent for removing pertinent information that appears in the Online System. **Example:** Information removed from a listing that has expired or has been withdrawn (but not limited to these statuses), such as owner name, address, Slot #1 image, etc. All information that was previously associated with a listing **MUST** remain with that listing in the system, regardless of status.

SECTION 11. LOCK BOXES AND KEYS

- 11.1 LOCK BOXES** – The lock boxes supplied to each Broker/Subscriber are supplied by the West Penn Multi-List, Inc. on a LEASE basis. The West Penn Multi-List, Inc. owns all lock boxes. The Broker has no ownership of the lock box. These lock boxes can be recalled from time to time by West Penn and redistributed within the West Penn system. Each Broker is required to participate in the lock box recalls from the West Penn Multi-List, Inc. when they arise. Failure to respond in the prescribed time allotted will result in a fine and temporary cessation of Services until compliance is met.

If a lock box is placed on a property LISTED in the West Penn Multi-List, the box must be operable by the key approved by the Service. Violation of this rule will result in a fine of **\$100.00**.

The Broker/Subscriber may place a non-Service box on their listing for maintenance purposes. This non-Service lock box may NOT carry instructions on accessing the lock box in the Online System. All indications of lock boxes on any listing in the Online System MUST be Service-owned lock boxes. Failure to comply will result in a **\$100.00** fine.

REMOVAL OF INOPERABLE LOCK BOXES WILL BE AT THE TIME AND EXPENSE OF THE SUBSCRIBER.

Lock Boxes MUST remain in the possession of and the responsibility of the Subscriber to which the box was originally assigned unless transferred by the West Penn Office. Lock boxes may be rotated within specific companies that have multiple offices if the office notifies WPML in writing of the lock box's new location.

The lock box may not be defaced in any manner. This means no writing of any type is to appear anywhere on the lock box. To do so will result in a replacement charge to the Broker leasing the box. Shackle codes are NOT to be written anywhere on the lock box. This is considered defacing the lock box, and a charge for replacement will be levied.

If a lock box is lost, misplaced, stolen, or damaged, the cost for replacement will be the responsibility of the Broker of Record who carries the lease on the lock box. The cost for replacement will be at current market price plus Pennsylvania sales tax.

- 11.2 LOCK BOX OWNERSHIP** – All lock boxes are the property of West Penn Multi-List, Inc. The Subscribing Broker office will be supplied with LEASED lock boxes from West Penn Multi-List, Inc. The West Penn Office will determine the number of lock boxes leased to an office based upon their listing inventory of the office. The Executive Director shall have sole discretion as to the number of lock boxes issued to each Subscriber as well as how many lock boxes can remain in any Subscriber's inventory. Lock Boxes will be redistributed by the West Penn Office on a regular basis.
- 11.3 NEW SUBSCRIBER POLICY** – When a real estate Broker becomes a Subscriber of the West Penn Multi-List, Inc., the Broker will be required to submit a report of current listings. The West Penn Office will then issue leased lock boxes. The ratio of lock boxes to listings is **not** set at 100%.
- 11.4 ORDER PROCEDURE** – Before a lock box request is sent to West Penn, the office is required to run an Inventory of Lock Boxes in the Online System. If the current inventory carries lock boxes on W status listings, additional lock boxes will not be issued to the office in question. If the office has an unused supply of lock boxes, no additional lock boxes will be issued. The Service requires a written request for lock boxes. This request may be mailed, faxed, or emailed to the Service. This request must carry the company name, office ID#, and name of the person placing the lock box order. Upon receipt of the request, the West Penn Office will analyze the request and, if the Subscriber's inventory warrants additional lock boxes, they will be shipped with supply orders. If the Subscriber

would like to pick the boxes up at the West Penn Office, this should be noted in the request for lock boxes. The West Penn Office will contact the Subscriber office when the order is prepared and ready for distribution.

- 11.5 SURRENDER POLICY** – If a real estate Broker ceases affiliation with the West Penn Multi-List, Inc. for any reason, ALL lock boxes must be returned to the Service within seven (7) days or the office will be required to replace the lock boxes at current market value plus tax, shipping, and handling.
- 11.6 INOPERABLE, LOST, BROKEN, OR DAMAGED BOXES** – If a lock box becomes inoperable, lost, broken, or damaged, the West Penn Multi-List, Inc. will review the box in question to determine who is responsible for repair costs or replacement costs. If the cause is by unusual wear and tear or insertion of foreign matter (key rings, paper, paper clips, rubber bands, etc.), a charge will be levied to the Broker. NOTHING is to be placed inside the lock box key cup other than the key(s) to the property. If it is found by the West Penn Multi-List, Inc. that foreign matter has caused a jam, the Listing Broker will bear the cost of repair/replacement at current market value plus tax, shipping, and handling.

Removal of an inoperable lock box will be at the time and expense of the Broker/Subscriber. If a lock box is unresponsive and must be removed (cut off the property), the Agent will need to secure a reference number. This number will be supplied by the manufacturer, Supra Products, Inc., and will need to be obtained prior to cutting the box from the property. Failure to secure a reference number will result in the Broker of Record being charged the current replacement fee for the lock box.

Once an unresponsive lock box is removed from a property, it must be returned to the West Penn Office WITH THE REFERENCE NUMBER and Office ID number. After processing, a replacement lock box will be sent to the office to which the lock box is assigned.

- 11.7 INVENTORY OF LOCK BOXES** – Each Subscriber office will be responsible to manage their company’s supply of leased lock boxes via the Online System. In situations where a company has multiple offices, the lock boxes will be required to be rotated on an “as-needed” basis within the company infrastructure.
- A. LOCK BOX REMOVAL** – The Listing Agent is responsible for lock box removal from the property. The lock box should be removed **within three (3) calendar days** after closing, withdrawal, or expiration. Failure to comply with the removal policy will result in a fine of **\$5.00 per day** levied to the Listing Agent until the lock box is removed.

B. LOCK BOX SHOW INFORMATION – It is the responsibility of the Listing Agent to change the SHOW field in the Online System to reflect removal of the lock box from the property by changing this field to OTHER within 48 hours after closing, withdrawal, or expiration. Failure to comply with the change policy will result in a fine of **\$5.00 per day** levied to the Listing Agent until the lock box SHOW field is corrected. If for any reason the Agent is unable to change this field, a Change Listing Report should be mailed or faxed to the West Penn Multi-List, Inc. Office for correction.

11.8 LOCK BOX LOCATION – A West Penn Multi-List, Inc. lock box may NOT be placed on a property unless it is listed within the Multi-List Service. A fine of **\$100.00** will be levied to the Broker/Agent violating this rule and regulation. Lock boxes may only be placed on properties listed within the Service.

11.9 NO LOCK BOX PRESENT – If a property, listed in the West Penn Multi-List, Inc., indicates there is a lock box present in the SHOW area of the Online System, and if a Broker/Agent attempts to show said property and NO lock box is present and this is reported to the West Penn Multi-List, Inc. (in writing) supplying listing number, property address, date and time of showing, and stating that NO lock box was present, then the Listing Agent will be fined **\$100.00**. If this situation should occur more than once with any Broker/Agent, the Board of Directors of West Penn Multi-List, Inc. may increase the fine to a maximum of **\$500.00 per occurrence**.

11.10 LOCK BOX USAGE – A lock box may NOT be GIVEN to a SELLER/TENANT to control the showing of a listing. If it is reported to the West Penn Multi-List, Inc. (in writing) that a SELLER/TENANT has a lock box in their possession and is placing the box out for Agents to use for showing purposes, a fine in the amount of **\$100.00** will be levied to the Listing Agent. If the Agent continues to follow this format, the fine can escalate to **\$500.00 for each occurrence**. If a seller/tenant wishes to control showings, then the show information should be APT/LB.

The shackle code assigned to a lock box may NOT be changed by anyone for any reason except the WPML Office. If an Agent or Broker changes the shackle code of any lock box on lease to that office, a fine of **\$100.00** will be levied to the Agent or Broker.

11.11 TIMED ENTRY – ALL lock boxes shipped from the West Penn Multi-List, Inc. are set for TIMED ENTRY and can be changed to 24-hour accessible by contacting Supra and notifying the Listing Broker. The lock box must be changed back to TIMED ENTRY when removed from that specific property.

A violation of the West Penn Multi-List, Inc. rules shall occur in the event that any Subscriber changes the timing element from anything other than TIMED ENTRY or 24-hour access. Each such violation of this rule shall result in a fine of **\$100.00 per occurrence**, and a separate occurrence shall be recognized for each alteration that is discovered. Subsequent violations of this rule shall result in the amount of the fine increasing per occurrence at the discretion of the WPML Board of Directors.

11.12 NO SHOWING – If a Listing has a statement of NO SHOWING in the Agent Remarks area, this statement is to be adhered to by all parties, including the Listing Agent and the Listing Company. If this is violated, a fine of **\$1,000.00** will be levied to the individual who has shown the property for the first offense with an escalation of the fine for subsequent violations. Refer to Rule 4.3 for more details. A lock box may not be present on a property listed as No Showings.

11.13 KEYS – Effective October 1, 2003, West Penn Multi-List, Inc. no longer owns the rights to the keys. However, there are standard operating procedures that will apply to ALL Key Holders.

Each key applicant acknowledges that the MLS data is owned solely by the Broker/Subscriber and that the data is copyrighted. Applicant will also be aware that the data is only to be used with consent of the Broker and is the exclusive property of the Broker of Record. Applicant is provided access to this data as a sub-Agent and is utilizing the information by permission of the Broker of Record.

- A.** The keys are the property of the vendor. The contractual agreement that a Broker/Agent/Appraiser/Home Inspector signs with the vendor is binding. For more information, each Broker/Agent/Appraiser/Home Inspector should refer to the contract paperwork that was signed with the vendor at the time of application. The keys are leased and must be returned to WPML upon cancellation of Service.
- B.** The contractual arrangement between the Broker/Agent/Appraiser/Home Inspector and the vendor is clearly outlined in the paperwork provided to each applicant.
- C.** The vendor has explicit directions on the return of product outlined in said agreement. If the Key Holder has any questions, they are required to be asked of the vendor at the telephone number provided at application.

- D. Any and all key issues and malfunctions are to be handled through the vendor.
- E. The key may NOT be given, loaned, leased, or sold to anyone under any circumstances. It is required to remain in the possession of the individual who leased the product through the vendor. If the Key Holder gives, loans, leases, or sells the key, it will result in a fine levied by the Board of Directors of the West Penn Multi-List, Inc. and/or possible loss of key privileges depending on the severity of the circumstances.
- F. After the Key Holder who is showing the Property has accessed the Property, the Key Holder shall remain with the individual(s) at the Property throughout the time of the visit. A violation of this provision shall occur if the Key Holder who accesses the Property opens the lock box and leaves the individual(s) to whom access has been provided alone at the Property. A violation of this rule shall result in a fine to the Key Holder who accessed the Property in the amount of **\$1000.00** for the first violation. To deter violations of this rule, the fine for each subsequent violation **will increase by \$1,000.00 per occurrence**. The amount of the fine may increase depending on the severity of the violation. In addition, the Key Holder may be subject to a suspension of services for thirty (30) days or more as a result of an infraction of this rule. In the event of repeat violations of this rule, the Key Holder may be subject to a suspension of services of up to 365 days and/or expulsion.
- G. The vendor does offer an insurance provision to each applicant for key issues.

11.14 APPLYING FOR A KEY – The directions for applying for a key are listed online. Since the format and cost changes from time to time by direction of the vendor, we recommend that all applicants review the online procedure BEFORE making application. It is important to note that the following items are included in the requirements to begin an application. Visit West Penn’s website at www.westpenmils.com.

The applicant MUST have a current Pennsylvania Real Estate License, a Pennsylvania Appraiser Certification, a Pennsylvania Home Inspector Certification, or such other State Certification that applies to authorizing users as determined by the Board of Directors. The applicant shall submit proof of insurance as required by the Board at the time the key application is submitted. - B.** The applicant should go to the vendor website to determine which type of Key Service they would like to select. They should then verify the current price with the West Penn Multi-List, Inc. Office.
- C.** If the applicant would like to handle this service via the mail, there will be shipping and handling charges (from West Penn Multi-List, Inc.) to mail the product. The applicant will receive notice of this charge at the time of application. This amount may vary due to changes by the US Postal Service. The charge for mail service requires a check made out to West Penn Multi-List, Inc. (Call for cost.)
- D.** It is important each Key Holder be aware that all key issues will be handled by appointment only. This applies to new keys, key problems, etc.
- E.** If West Penn Multi-List, Inc. receives notification that a Key Holder is no longer affiliated with their current company, West Penn Multi-List, Inc. and the vendor will curtail all service to the key, rendering it useless. This cancellation also applies to the Online System. The Key Holder should make certain if they are moving to another company that ample notice is given to West Penn Multi-List, Inc. so that there is no interruption in service.
- F.** The vendor has the right to curtail service to their customers due to non-payment.

11.15 ILLEGAL USE OF KEY – Any Subscriber who engages in the unauthorized use of the West Penn Multi-List, Inc. key or Key Services for purposes other than showing, inspecting, viewing, or the appraisal of properties for sale/lease will be subject to a suspension of services and a fine. The Board of Directors will determine the length of time a Key Holder will be removed from Service and the amount of the fine.

- A.** The key may only be used by the Subscriber to whom the key is assigned. The key may not be given, loaned, leased, rented, or

sold to anyone for any reason. If such a violation occurs, a fine in the amount of **\$1,000.00** shall be levied, along with a suspension of Multi-List Service for not less than thirty (30) days, with possible loss of Service of up to 365 days for the first infraction. Following reinstatement, the amount of the fine and length of time Service shall be suspended for subsequent violations will be determined at the discretion of the West Penn Multi-List, Inc. Board of Directors.

- B.** West Penn Multi-List, Inc. has the right to deactivate a key if the Key Holder has been involved in activity that could affect the liability of the West Penn Multi-List, Inc. Each occurrence would be reviewed on a case-by-case basis.

11.16 RIGHT TO RECEIVE/RETAIN KEY – The Board of Directors has the sole right to determine who may possess a key. The Board of Directors retains the right to refuse Key Service to any person if the Board of Directors believes that such issuance would not be in the best interest of either the real estate industry or the buying or selling public. Therefore, the Board of Directors may terminate Key Service and Multi-List Service for any reason. Any person aggrieved by a decision of the Board of Directors may request a hearing before the Board of Directors of the West Penn Multi-List, Inc.

11.17 TERMINATION OF KEY AND SERVICE – If a Key Holder is delinquent in the payment of any fees to West Penn Multi-List, Inc., or is in default of the performance of any obligation owing West Penn Multi-List, Inc., then after ten (10) days and with written notice, all Services to the Key Holder will be curtailed until the delinquency or default is corrected.

11.18 SECURING OF LOCK BOX – Any Subscriber or Key Holder who accesses a home is required to secure the key in the lock box before they leave the home. The key must be returned to the lock box and the lock box secured by the Subscriber or Key Holder, whether an appraiser, agent, or any other Subscriber. No Subscriber or Key Holder shall leave the lock box unsecured. Any violation of this rule shall be reported to the West Penn Multi-List, Inc. Office, and a fine in the amount of **\$1,000.00** shall be levied against the responsible Subscriber. In the event of a repeat violation of this rule, any Subscriber who had a prior violation of this particular rule shall be subject to a fine which **increases by \$1,000.00 for each subsequent violation**. (8.1) **Definition.** "Confidential Information" is information or material proprietary to WPML or designated "confidential" by WPML and not generally known to the public that Broker/Subscriber and/or Website Vendor may obtain knowledge of or access to as a result of access under this Agreement.

Confidential Information includes, but is not limited to, the following types of information and other information of a similar nature (whether in oral, visual, audio, written, or other form):

- a. all WPML data;
- b. all documentation and other tangible or intangible discoveries, ideas, concepts, designs, drawings, specifications, models, information;

(8.3) **Third-Party Information.** Confidential Information also includes any information that WPML obtains from any third party that WPML treats as proprietary or designates as Confidential Information, whether or not owned or developed by WPML.

(9) **Restrictions on Use.**

(9.1) **Scope of Use.** Broker/Subscriber and/or Website Vendor will use or access the Confidential Information only as required to perform the services, and Broker/Subscriber and/or Website Vendor will not use its access or the Confidential Information for any other purpose. Broker/Subscriber and/or Website Vendor will employ measures to protect the Confidential Information from disclosures at least as rigorous as those it uses to protect its own trade secrets, but in no event less than reasonable care.

(9.2) **Unauthorized Uses.** Broker/Subscriber and/or Website Vendor will not make copies of the Confidential Information. Broker/Subscriber and/or Website Vendor will not directly or indirectly disclose, display, provide, transfer, or otherwise make available the Confidential Information to any person or entity, unless Broker/Subscriber and/or Website Vendor has received prior written consent from WPML to do so. At no time and under no circumstances will Broker/Subscriber and/or Website Vendor reverse engineer, decompile, or disassemble any software constituting part of the Confidential Information. (11) **Remedies.** Because of the unique nature of the Confidential Information, Broker/Subscriber and/or Website Vendor acknowledges that WPML would suffer irreparable harm in the event that Broker/Subscriber and/or Website Vendor breaches its obligation under this Agreement, and that monetary damages would be inadequate to compensate WPML for a breach. WPML is entitled, in addition to all other forms of relief, to injunctive relief as may be necessary to restrain any continuing or further breach by Broker/Subscriber and/or Website Vendor, without showing or proving any actual damages sustained by WPML.
